The English UK Fair, Macau 2012

Quality in international student recruitment

The English UK Fair, Macau 2012 will bring together accredited UK English language centres and study abroad agents in an elegant hotel, set right on the waterfront, in the heart of the charming historic quarter of this former Portuguese enclave. Participation is limited to just 70 organisations (30 educators and 40 agencies) and is only open to English UK member centres and selected top quality agents from the Asia Pacific region.

Package offered

The package includes accommodation for 3 nights at the Sofitel Macau at Ponte 16, welcome dinner at the top of the Macau Tower, workshop sessions and eSchedule Lite account, seminar programme, lunch on Wednesday and Thursday, an evening walking tour of Old Macau and traditional Macanese dinner and a farewell Chinese banquet on the rooftop of Ponte 16.

A unique opportunity

The English UK Fairs are organised by English UK, the world's leading language teaching association, in partnership with the British Council, UK Trade & Investment and VisitBritain. The success and popularity of these events is based on their unique small size and friendly atmosphere. The programme of social occasions and one-to-one appointments, all in a relaxed, luxury setting, give educators and agents the opportunity to get to know each other and develop long-lasting productive partnerships.

Testimonials

An excellent and exceptionally well organised event with some good agents from several countries – well worth attending.

A great event – I really like this type of boutique fair. I met one agent five times during the event and we had the chance to get to know each other. You don't manage that at a big fair.

The organisation and atmosphere were quite exceptional.

A phenomenal fair – the best yet. My business [from the region] increased significantly after the last event – I expect the same result after this one.

We were both so impressed with the overall organisation and the seamless running of the whole event.

A brilliant fair and great introduction to a new market for us. Well done English UK!
