A unique opportunity

The English UK Fairs are organised by English UK, the world's leading language teaching association, in partnership with the British Council, UK Trade & Investment and VisitBritain. The success and popularity of these events is based on their unique small size and friendly atmosphere. The programme of social occasions and one-to-one appointments, all in a relaxed, luxury setting, give educators and agents the opportunity to get to know each other and develop long-lasting productive partnerships.

Testimonials

'An excellent and exceptionally well organised event with some good agents from several countries - well worth attending.'

'A great event - I really like this type of boutique fair. I met one agent five times during the event and we had the chance to get to know each other. You don't manage that at a big fair.'

'The organisation and atmosphere were quite exceptional.'

'Very smooth, well organised event. Perfect size. Good meetings.'

'A brilliant fair and great introduction to a new market for us. Well done English UK!'

'Very good event to expand our network and maintain relationships. I'd love to participate again in the next workshop.'
